A CONTINUAL STRAIN.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. Sold by Brinson Yates Drug Co.
